OBSERVED VIOLATIONS

None

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS

1. This site was conditionally approved and activated to handle storm debris generated from the winter ice storm.
2. The purpose of this inspection was to view the processing area, waste types, and site management.
3. All waste staged was land clearing debris (no yard trash), which has been ground for reuse.
4. The entrance was cabled and the sign has been removed.
5. Due to recent rains there has been a delay in hauling the material for reuse (agricultural). The expiration of the Conditional Approval is August 19, 2014. At the request of the hauler, a thirty-day extension has been granted for the removal of the mulch.
